

# Lone Tree Technology

Reliable, responsive software development and support

## Pool Table Rental System for Aloha® Easy, automatic table control capabilities!

Lone Tree's Pool Table Rental System for Aloha is the perfect compliment to any Aloha Table Service or Quick Service System. The Pool Table Rental System is a touch screen based software package that runs on Aloha Terminals and is integrated with either Table Service or Quick Service. The system is accessed directly from the Aloha System, and passes all player fees back to the Aloha Check!

- Graphical Table Editor and Light Control Tester

"The Pool Table Rental System for Aloha by Lone Tree Technology has provided real benefit for our operation. We know exactly what is happening with each of our many tables. The integrated table light control feature is great - it's hard to play pool in the dark!

*Wade Gravelle,  
West Side Charlie's Bar and Billiards*
