

Lone Tree Technology™ and Radiant Systems™ Sign Agreement

May 17, 2007 (Centennial, CO and Alpharetta, GA) Lone Tree Technology and Radiant Systems are pleased to announce that they have signed an agreement whereby Lone Tree Technology has become an Aloha Connect™ Partner under the Radiant Systems new Aloha Connect Program. Lone Tree has worked with Radiant's Aloha products since 2001. This new agreement formalizes the long standing relationship between companies and solidifies Lone Tree's position as a leading integrator of the Aloha POS solution to third party software through the Radiant dealer network.

Lone Tree will continue to work with the Radiant Systems and its dealer network in new product development and in creating custom interface functionality to meet the needs and desires of end users and corporate accounts. Lone Tree is proud to be formally joining the Radiant family and to be an active and primary contributor to the users of the Radiant products.

About Lone Tree

Based just outside of Denver, Colorado, Lone Tree Technology is a software consulting, integration, and software development firm which serves the Restaurant and Hospitality Industries. Lone Tree is a vendor specializing in multiple POS solutions, providing integration, custom development, and custom reporting services for many customers thru the Lone Tree Dealer / Partnership Program, and the various POS solutions.
